Experience

Profit Isle • Product Designer & Frontend Developer

2019-present

Leading design of the Profit Isle SaaS platform. Also contributing to a cross-Org team developing Profit Isle Design System. Collaborated to develop a Consistent and cohesive visual language across the platform.

Idea to Life • Frontend Developer

2018-2019

Translated wireframes/mockups to responsive and semantic HTML/CSS code. Used Vanilla JS, JQuery library and Angular 2 framework for interactivity. Worked with different agile teams using the Design Thinking process.

Codi Tech • Frontend Developer

2017-2017

At Codi my team and I used to meet with clients and then work on their project Using the agile methodology. The technologies that we worked with were WordPress and ReactJS.
